National Foreword

I.S. EN 62575-1:2016 is the adopted Irish version of the European Document EN 62575-1:2016, Radio frequency (RF) bulk acoustic wave (BAW) filters of assessed quality - Part 1: Generic specification

This document does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with this document does not of itself confer immunity from legal obligations.

In line with international standards practice the decimal point is shown as a comma (,) throughout this document.
